

## **APPLY TODAY! Application Deadline is Wednesday, June 10<sup>th</sup>**

We are thrilled to announce that, even though we aren't able to gather for an actual event, we have an adapted solution to get water to our most vulnerable citizens during the COVID-19 crisis.

If you are an agency serving the homeless community in Toronto/GTA, Southwest Ontario or Southeast Ontario, please apply ASAP for water at:

<https://www.engageandchange.org/project-water/request-water/>

Priority will be given to frontline service providers with no access to running water. Requests will exceed availability; please be considerate and conservative. Once all applications are reviewed and approved, we will be in touch to make arrangements for pick up.

Please note the following project changes being implemented for Summer 2020 allocation:

### **LOCATIONS:**

- Water pick-up is NOT at Bargains Group. Instead, the generous teams at Salvation Army will be distributing water from the following locations:
  - o Toronto Rainside (for Toronto/GTA and Toronto North agencies)
  - o Hamilton (for agencies west of Toronto)
  - o Ottawa (for agencies east of Toronto)

### **DATES/TIMES:**

- Distribution will be the week of June 15<sup>th</sup> and the week of July 27<sup>th</sup>
- Since we are not executing a one-day event, the pick-up dates will be staggered over a longer period of time to minimize disruption at the Salvation Army
- All agencies will be assigned a specific pick-up date & time - your agency MUST pick up within 15 minutes of scheduled time

### **LOGISTICS/DETAILS:**

- Summer Survival Kits will NOT be available this year due to our inability to host a volunteer kit packing day - we will be distributing water only in Summer 2020
- Since there are no event volunteers at the Salvation Army locations, agencies will need to bring their own volunteers to load vehicles with water. Please ensure that all volunteers are properly protected with masks and gloves for the pickup.
- Based on the amount of water being picked up, there will specific vehicle size requirements communicated when the application is approved
- Delivery is NOT available
